

" The purpose of AIACHE is to work for the constant development of educational specifications like knowledge and to create a just and humane society in the light of Christian Faith, Gospel Values, Excellence and Leadership.

About AIACHE

The All India Association for Christian Higher Education (AIACHE) is a professional Association of above 500 Christian higher education institutions in India. It stands for character formation, value inculcation and co-operative skill training for a better altruistic society. Founded in 1967, AIACHE is a voluntary organization registered under the Societies Registration Act (1860).

About Creative Cadence

Cadence literally means a steady flow of music and rhythm. We, in the world of teaching are creators of cadences that inspire and creatively engage learners, making them shine by honing their skills, through innovative tasks and relevant knowledge transfer.

The vision of this training programme is to capitalize on the potential of young faculty by introducing them to this creative space of knowledge and experience sharing which will be enjoyable and mutually beneficial to the learner-facilitator and the taught.
