**Sub: AIACHE Think Tank – Invitation to the National Webinar on
“RE-INVENTING THE NEW-NORMAL CLASSROOM’ on 30 March 2022**

Dear Friends,

Greetings and Good Wishes from AIACHE...

We are happy to inform you that AIACHE is organizing a National Webinar titled '**RE-INVENTING THE NEW-NORMAL CLASSROOM’ on 30 March 2022 from 3.00 P.M to 4.30 P.M.**

This is in continuation with the Think-Tank meeting that was held on 1st December 2021, where a core committee called NeXus, was constituted to come-up with relevant programmes that will be commensurate to the ongoing Pandemic. NeXus had organized a Two-day National Workshop “RESILIENCE DURING PANDEMIC” with an aim towards New Beginning and Well Being on 16 and 17 July 2021. Think-tank representatives and faculty from various institutions participated in this workshop and were greatly benefited.

In this context we are happy to invite faculty of your institution for a National Webinar on the topic 'RE-INVENTING THE NEW-NORMAL CLASSROOM'. Dr. John Peter, Director and Professor, Professional Group of Institutions, Coimbatore will be the resource person.

Covid '19 changed the contour of the teaching-learning process by introducing multiple platform such as offline, online, blended, synchronous and asynchronous modes. Effectiveness of these platforms was the major challenge.

Realizing that there is a strong need for renewal and reform in the teaching-learning style and methods, this webinar will provide the tools to reinvent our classroom and create inclusive learning spaces by becoming co-creators of learning.

The mantra in the new normal is to unlearn, relearn and learn with Heutagogy as the signpost. Functional strengthening of the taught and the learners will address the slip in the system. Reassessing values, objectives and goals for the teaching and learning experience will help rebuild the system with healing and lead to growth and a promising future.

We invite the Think-Tank members and interested faculty to register Online using this Google Form link:

A brochure giving all the details is being attached herewith.

The deadline for Registration is 28.03.2022. We are looking forward to a positive response and participation from your institution.
